

AUTHORS' COPYRIGHT ASSIGNMENT AND RELEASE

ALLERGY AND ASTHMA PROCEEDINGS

OceanSide Publications, Inc.

95 Pitman St.

Providence, RI 02906 USA

(Each author listed on the title page must complete and return this form at the time of manuscript submission.)

In consideration of OceanSide Publications, Inc. ("OceanSide") evaluating the manuscript, including all tables, graphs, and photos which form a part thereof, entitled:

(Manuscript number # _____) hereafter referred to as the "Work," for publication in the Allergy and Asthma Proceedings and possibly publishing the Work, the undersigned author(s) hereby grant and assign to OceanSide Publications, Inc. ("OceanSide") the entire copyright, under United States and international law, in and to the Work. This includes the exclusive right to publish, reproduce, prepare derivative works of, distribute copies, by sale or otherwise, renew copyright in, perform, and display the Work in all forms and media worldwide, effective if and when it is accepted for publication in *Allergy and Asthma Proceedings* ("*Proceedings*").

The authors hereby represent and warrant by their signature below that (i) all portions of the Work are either our own original creations or material for which we have obtained all necessary consents for the use, distribution, and publication of such materials; (ii) the content of the Work is accurate to the best of our knowledge and does not violate any copyright, proprietary or personal rights of others; (iii) the materials, including photographs, that are part of the Work do not identify, by name or otherwise, suggest the identity of, or present a recognizable likeness of any patient or others; or, if they do, we have obtained all necessary consents from patients and others for the further use, distribution, and publication of such materials; (iv) the Work does not contain anything libelous or illegal; (v) the Work, nor a similar manuscript, has not previously been published (except in abstract form); and is not currently under consideration by another journal and (vi) we have not granted other parties any rights in or to the Work, which are inconsistent with the rights herein granted to OceanSide; this Work is not currently under consideration by another journal and we will not submit the Work for publication elsewhere while it is under consideration by *Proceedings*. We hereby acknowledge that OceanSide will be relying on this Authors' Copyright Assignment and Release if the Work is published.

The authors hereby indemnify and hold harmless OceanSide, the regional, state and local allergy societies and the American Association of Certified Allergists ("AACA"), and their respective officers, directors, members, employees and agents from and against any and all claims, losses, demands, costs (including reasonable attorneys' fees), and other expenses arising directly or indirectly from the inaccuracy or breach of any of the aforementioned representations, covenants and warranties.

The authors understand and acknowledge that OceanSide undertakes no obligation to publish the Work. If it is published, OceanSide will acknowledge our participation, but we will receive no compensation and no other benefit with respect to the Work. OceanSide shall return all rights herein granted by the authors upon written request if the Work is not published within eighteen (18) months of the date of this Authors' Copyright Assignment and Release.

Note: The Editor may refuse to consider manuscript submissions from any author who has previously had a manuscript rejected by Proceedings for reasons of plagiarism, undisclosed conflicts-of-interest, inappropriate authorship, fraud, or duplicate publication.

Conflict of Interest

Allergy and Asthma Proceedings requires *all* authors to acknowledge in the title page of their manuscript all funding sources that supported their work as well as all institutional or corporate affiliations of the authors. Authors are also required to disclose to the Editor, in a covering letter at the time of submission of their manuscript, any commercial associations that might pose a conflict of interest. These include consultation arrangements, stock or other equity ownership, patent licensing arrangements or payments for conducting or publicizing the study. The disclosure will be held in strict confidence during the review process and will not influence any editorial decisions. However, if the paper is accepted for publication, the Editor will determine how any conflict of interest should be disclosed.
